XIII.

Joovy Stroller and the Ultimate Family Package

Hop on Board! Strolling around has never been easier with two children. The versatile Ergo Caboose Stand-On Tandem (in red/black) allows an older child to sit and stand on its patented rear platform/seat while a younger child rides comfortably in front. If the standing child tires, they can turn around and rest on the padded rear seat. Fully equipped with a universal car seat attachment system, the Caboose can accommodate an infant in the car seat so you can use it as soon as your new arrival comes. The Caboose is lightweight and folds up compactly. It has a large basket and storage pockets and the rear platform means no more lifting a heavier older child in and out of the stroller.

Pair that with Four tickets to Legoland, Four tickets to Pretend City and Four dinner or lunches (includes Park Hopper tickets) at Club 33 in Disneyland (additional guests can be added at own cost).

Add the following gift certificates: \$25 Amazon, \$25 AMC Theatres, \$25 Barnes and Noble, \$50 iTunes, \$100 Burke Williams.

Retail value, \$1,150

Donated by Friends of SMES Library

VIV.
